## BINDAWARRA NEWS

### Bindawarra at Benalla

It is with great pleasure that we would like to confirm that we will be taking four rams to the North East Merino Sale at Benalla this year. We would like to thank the NE Merinos Committee for giving us this opportunity. We are hoping that selling at this venue will alleviate some of the travel difficulties for some of our clients from southern NSW and NE Victoria (eg: driving over Mount Hotham in the snow!) Details about all rams for this sale will be available at our Field Day (see below) or feel free to contact Steve who will be able to tell you all about them.

### Bindawarra Field Day—July 5th

Please find included with this note the flyer for our annual Gippsland Merino Field Day to be held on Tuesday July 5th.

As with other years, we will have all our sale sheep on display for your inspection, as well as the stud reserve sires that we will keep for future breeding. We will be selling at Hamilton Sheepvention (August 2nd), the North East Merinos Sale at Benalla (August 9th) and the Gippsland Merino Breeders Sale at Bairnsdale (September 6th). If you are unable to attend, but would like to know about the rams, please contact us and I will send you all the figures. This year, we tested the rams for fat depth and eye muscle area so also have these figures available.

At the Field Day, we will continue our practise of providing hot food and drinks all day for all visitors. The shed will be open from 10am until 4pm but if you need to come earlier or later, please let us know and we will do our best to accommodate your needs.
